No. 10 - April 1, 1981

Question No. 1:

I am now convinced we Anglo-Saxon and kindred peoples are true Israel. What shall I do about my church which denies this truth?

Answer:

When God revealed Israel's true identity to you, He gave unto you to know the mysteries of the kingdom of heaven (**Matt. 13:11**). And then Christ said, Blessed are your eyes, for they see, and your ears, for they hear (understand). For verily I say unto you, that many prophets and righteous men have desired to see those things which ye see, AND HAVE NOT SEEN THEM; and to hear (understand) those things which ye hear, AND HAVE NOT HEARD (understood) THEM.

Many Americans are becoming convinced that we Anglo-Saxon, Celtic, Germanic, and kindred people are the Israel People of the Bible. With that glorious knowledge, that we are God's Chosen People, comes the realization that we will be saved from our enemies, and from the hand of all that hate us (**Luke 1:71**), because of God's blood covenant with our forefathers, Abraham, Isaac, and Jacob.

Ministers who preach the Israel Truth hear from many who praise the preaching of the Gospel of the Kingdom and our Racial Identity. They SAY they believe America badly-needs such preaching. However, many continue membership in False churches and, thereby, support the

False doctrines about Jesus Christ, Israel, Jewry, the Law, Race, the Rapture, Christ's Kingdom, Hell and Heaven, and almost all else!

Are we in a condition similar to Israel at the time of Elijah the Prophet? He spoke the Truth to Israel and then said, How long halt ye between two opinions? If the LORD be God, follow Him: but if Baal, then follow him, AND THE PEOPLE ANSWERED HIM NOT A WORD (**1 Kings 18**). God then gave them the sign of fire. Will we need that, again, to drive our Race from its False Priests?

Is it possible that God is using an, elimination process just as He did before He used Gideon and 300 men to deliver Israel? (**See Judges 7**) Of the 32,000 men who were "inducted" into Gideon's army, 22,000 of them were "discharged" when they were careless and not in a position of preparedness. The 300 who stood every test and remained faithful were given a trumpet and a lamp. Obeying God's plan, they blew the trumpet (gave warning), broke the pitchers (false doctrines that hid God's Word), and exposed the lamp (God's Word) for all to see. The result? Hope and comfort to Israel; panic and destruction to her enemies. Israel was saved!

LESS THAN 1% OF THOSE WHO KNEW GOD'S PLAN FOR THE DELIVERANCE OF ISRAEL WERE USED IN THAT PLAN! How many people today,

who know our identity as God's Israel People and His plan to deliver us through the preaching of His Word, are being "discharged" from His army because they are fearful and afraid? How many are put aside because of their refusal to support God's present-day "Gideons," His Israel pastors?

Opening your understanding to this Truth was your "induction call" into the army of Jesus Christ. Will you ignore the "call" and go back, as did 31,700 in Judges? Or will you report for "active duty," supporting Bible Truth in this final battle in "The Conflict of the Ages?"

The choice is yours. As Joshua said to Israel of old and as Christian Israel pastors say to you today, If it seem evil unto you to serve the LORD (If it is obnoxious to you to support the Truth), choose you this day whom you will serve: whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites. He was telling them that if they chose not to serve the God of Israel, they MUST choose to serve other gods!

God's deliverance will come to America when we recognize our identity — our special relationship with God — and turn to Jesus Christ for our Redemption. You cannot be a part of this if you know this blessed Truth and still insist on supporting the preaching of false doctrines to true Israel.

The Israelites of that day answered, "God forbid that we should forsake the LORD, to serve other gods." What is YOUR answer today?

Long, long ago it was Jesus who said, "It is impossible but that offenses will come: but woe unto him, through whom they come! It were better for him that a

millstone were hanged about his neck, and he cast into the sea, than that he should offend one of these little ones." **(Luke 17: 1 ,2)**

The Greek word translated *offend* means to literally "trip up" or "entice to err." Those of you who attend, and give God's tithe money to, the churches and ministers who preach False Doctrines to God's Chosen People Israel — the doctrines that cause the little ones to be taught errors — are those to whom Christ spoke when He said, It were better for him (you) that a millstone were hanged about his (your) neck, and he (you) cast into the sea. What a judgment pronounced by Christ! However, all of Scripture exhorts true believers to separate themselves from error . We cannot claim we were not commanded to leave!

Question No. 2:

Were there people here before Adam, or did all the races come from Adam?

Answer:

Adam was the first white man, and the other races were created some time before Adam. If you look in Strong's Concordance, you will notice that Adam (Hebrew words 119 and 120) means "to show blood (in the face), i.e.; flush or turn rosy; ruddy." There is only one race in the world that shows blood in the face and is ruddy in appearance—the white race. Therefore, when the Bible speaks of man (Heb., *awdawn*), it is speaking of Adamic man, or the white race.

The traditional view is that all races came from a single source, but this is not biologically possible. God created each person with 23 pairs of chromosomes in his genetic structure, which determine his physical, mental, and racial characteris-

tics. The only way Adam could have produced more than one race would have been if God had created him with 23 pairs of chromosomes OF EACH OF THE RACES. That would have made Adam quite a monster to behold! Furthermore, since black is always dominant over white in genetics, that would have made Adam a black man, for his negro chromosomes would have dominated the "ruddy" white in all his physical and mental characteristics. But Strong's definition of the word Adam rules out the possibility that he was black.

In God's Law of nature recorded in the book of Genesis, each creature (man, plants, and animals of all types) is commanded to reproduce "after his kind." Thus, negroes always beget negroes, and whites always beget whites. So Adam could not have produced offspring of more than one race, and, therefore, God must have created people of other races separate from Adam. (See also tape #7228R, "The Two Creations of Genesis 1 and 2.")

Question No. 3:

Why did Elisha the Prophet command the king of Israel to chop down all the good trees in 2 Kings 3:19 in his war with the Moabites? I thought this was a violation of God's Law.

Answer:

Elisha did not command him to violate the Law of **Deuteronomy 20:19,20**. He merely- prophesied that the ungodly king of Israel would do this. The context tells the story of the war with Moab. The Israelites, it seems, ran out of drinking water before the battle, and so they were in danger of losing the war before it even began. Thus, they called upon Elisha for help.

If you look in **verse 13**, you will see that the prophet took a dim view of this king, because he cared nothing for the Law of God. In **verse 16**, we have Elisha's only command in the passage: "Make this valley full of ditches."

Verses 17-19 state what was to happen shortly, including the reason why they should dig ditches: **(1)** God was going to send them the water they needed; **(2)** they would defeat the Moabites; and **(3)** they would destroy all the cities, trees, land, and wells of Moab. *These are all prophecies, not commands.*

Question No. 4:

Is there any secular and historical proof that Jesus lived? I don't doubt it, but I could use the references.

Answer:

Yes, there are a number of historical references to Jesus. One of the earliest is by the Roman historian, Valleys Paterculus, who lived during the time of Christ. In his "History of Rome," written in 31 A.D. he mentions travelling to Judea, where he met Jesus. He wrote of His miracles and how the authorities feared Him more than a whole army.

Within this History is a letter Pilate wrote to Tiberius Caesar, regarding the crucifixion and the resurrection of Christ. Being a personal friend to Tiberius, he had access to this letter, which was found in the Vatican Library in 1883.

Another reference to Jesus is found in Josephus' Antiquities of the Jews, xviii, 3, written about A.D. 95. He, too, speaks of Jesus' death and resurrection and calls Him "the Christ."
