## ADL ORDERED NEWSPAPER SMEAR OF "IDENTITY"

*"If it be possible, as much as lieth in you, live peaceably with all men." (Romans 12:18) However, "Them that sin, rebuke before all." (1 Tim. 5:20).*

**1983, THE YEAR OF THE BIBLE**, has only five months left to publicize Public Law 97-280. The enclosed bumper sticker is part of a plan:

1. Order Public Law 97-280 from us at 20 for \$1.00. (We'll furnish more bumper stickers for \$1 also.)
2. After you have the extra copies of PL 97-280 in your glove compartment, put the bumper sticker on your car.
3. When people see it and ask you about "The Year of the Bible," give them Public Law 97-280 and tell them of its marvelous significance.

It is as simple as that. By the end of 1983 you could reach a great number of other Americans about Public Law 97-280. Send for 20, 40, or 60 copies of Public Law 97-280.

### OUR 1983 FAMILY BIBLE RETREAT IS OVER.

We had a wonderful time of worship and fellowship. Enclosed is an order blank for some of the sermons and lectures. Order them and enjoy Camp with us, at least in part.

**"IDENTITY" IS NOW BEING PUBLICLY SMEARED.** The controllers of the U.S. news media have ordered newspapers and magazines to end their over 30 years of "silent treatment" of our Identity teachings.

You may not have previously believed there was such a thing as "news control" in this "free" country. However, the fact that you could have read every daily newspaper in the U.S. and every slick magazine in the U.S. for the last 30 years and never, never heard of such a thing as "Identity" should prove **someone controls what Americans can read!**

**JEWISH ADL GIVES THE ORDER!** The command to end the silent treatment and to publicly attack "Identity" came a few months ago in a 16-page publication from the ADL titled, "The Identity Churches — a Theology of Hate," distributed by them to their thou-

sands of Jewish-owned newspapers around the United States and to politicians. The order to publicly attack "Identity" was in their "Conclusion" which said that the "essential antidotes" to the "poison" spread by Identity Churches are (1) **"increased public awareness of the nature"** of the movement and (2) **"active attention by law enforcement authorities . . ."**

Within days of those ADL orders, smear articles appeared in hundreds of newspapers all over the U.S. They did not express surprise they had suddenly found we had been around for 30 years, but warned their brainwashed readers how "dangerous" and "anti-Semitic" and "violent" these "Identity" people were!

And surprise! They were also told, "Law enforcement authorities" all over the U.S. and "government agencies" are "concerned" about these "Identity groups" and how "dangerous" they are to "peace and order!" The ADL's orders were being obeyed to the letter by their agents in the news media and in government!

We have copies of that ADL bulletin and will provide a copy for \$2 to cover our cost of printing and handling. It is very enlightening and should be read by all Identity Christians.

**IDENTITY WAS GETTING TOO BIG TO HIDE ANY LONGER**, even with their control of government and 95 percent of the news media. With increasing Identity radio and massive distribution of Identity literature the Identity Truth was getting past their "silent treatment." Now they will use slander, vilification, innuendo, exaggeration, lies, misrepresentation and God alone knows what they will charge against us or tell their readers and listeners about "Identity" in the weeks and months ahead. All they know is that Americans are waking up to their anti-American and anti-Christian schemes. It is Identity ministries which are awakening and informing Americans, and therefore Identity ministries must be stopped!

**WHO STANDS IN THEIR WAY?** Yes, God does. But, as the descendants of Esau-Edom who have successfully passed themselves off as Jacob-Israel, God's "Chosen People," they know there is only one group of **people** in the world who can unmask them, reveal them as Esau-Edom, and stop their mad drive for world conquest, **the Identity Christians!**

Americans who believe the Jews are Israel will not only cause them no trouble, but will aid them. Identity Christians not only will not aid the Jews, we will cause them trouble. Therefore, we must be disrupted and destroyed.

**BEWARE OF NEW TACTICS.** This order from the ADL to their agents in the news media and government will mean infiltration of agents into Identity churches, meetings, etc., harassment by the IRS and various government agencies, etc. It could even mean planted evidence of wrongdoing, so all Identity groups should be alert to this new danger.

**ASSASSINATION BY GOVERNMENT?** At our Bible Retreat, Col. Jack Mohr told us he had learned assassination teams were being set up to assassinate Patriotic, Right-wing leaders. Far fetched, you say? Why? Our rulers have assassinated anti-communist political leaders in foreign nations and turned those nations over to communists for more than 40 years! It is going on in Central America right now. Is it not logical that those same traitors in our government should assassinate anti-communists **inside** America? Certainly no one in his right mind can still claim the men who run the U.S. government are anti-communists? Not when every effort of our rulers for 40 years has been to shore up, protect, and expand the power of communism all over the globe.

No, I think Col. Mohr's warning was probably correct. What to do about it? Not much we can do in the flesh, but it makes prayer to our God for protection of first importance. Without Him we can do nothing anyway. We pray for His guidance and His direction in this fight. Let us depend upon Him for our protection also.

**BE NOT FEARFUL NOR AFRAID.** I pray to God that this news will not deter anyone from steadfastness in the faith. Remember the faith and the martyrdom of your noble ancestors. Remember the sufferings of Jesus who has purchased you with His own Blood. The enemy has but a little time remaining and we shall have the victory. Read John 15:15-25; 16:1-3; 17:15-20; all of 2 Tim. 3 and 2 Tim 4:1-4.

**CHANGE YOUR ATTITUDE.** One man wrote, "Jews always triumph over Christians because when one Jew is accused, all Jews rally around to aid him. However, when a Christian or a Christian organization is 'smeared,' most other Christians turn away and refuse to be associated or to help. The result is that the more bold and active Christians are isolated and ruined."

**POSSE COMITATUS.** The antichrists want you to think the "posse" is a "subversive" organization. Here is Webster's 1926 Dictionary definition:

|| **pos'se co'mi.ta'tus** (kōm'ī-tā'tŭs). [L. *posse* to be able, to have power, in ML., power + ML. *comitatus* a county, from *comes*, *comitis*, a count. See POWER; COUNTY.]  
**1. Law.** The power of the county; hence, usually, the entire body of those inhabitants who may be summoned by the sheriff to assist in preserving the public peace, as in case of a riot, or in executing any legal precept that is forcibly opposed; also, the body of persons so summoned. By the common law the sheriff may so summon every male inhabitant of the county who is above 15 years of age and not infirm.

In effect, every able-bodied male over 15 years of age is already a member of the "posse" and its purpose is to enforce what the people want done! No wonder the antichrists are afraid our people will learn the truth about "posse comitatus!" Informed Americans using the "posse" could stop criminal government in its tracks!

**FROM THE NEWSLETTER FILE.** A few comments on recent newsletters, then the rest will be on a few of the hundreds of articles in my newsletter file:

The PIK program still appears to be designed to bring famine to America. Crop acreage is way down.

Remember our 3-ring binder Bible Law Index for your State Legislators. \$6.00 each. My report of our D.C. mission has sparked many orders. Get going!

Officer McLamb, publisher of AID & ABET, said our blurb on him in May "swamped" him with requests.

Don't set the cartoons aside — reprint them!

Those new on our mail list can write and ask for copies of "the last 3 newsletters" to get up to date.

Now, on to new subjects:

**BOB SCHULER'S FATHER KNEW IDENTITY!** Of those who refused to teach truth Jesus said, "Verily, they have their reward." Is that \$20 million glass earthquake trap Bob Schuler's "reward?" I hope no one is in it when a big earthquake hits.

**SHEARING GOD'S SHEEP.** While Rex Humbard pleaded for "emergency funds" to "save my ministry," his family purchased \$1.4 million property in Palm Beach, Florida. Jim Bakker made a similar plea while purchasing a \$350,000 vacation apartment in Florida. I have a book that claims Oral Roberts takes in \$20 million a year more than his ministry spends. The author wonders where those millions are.

**"CHRISTIAN" COLLEGES?** One man wrote that his brothers and sisters all attended Biola College at LaMirada, CA where Mr. Fineberg (Jewish) pretty well runs the place. He did not attend Biola and is the only one in his family who understands Identity, money, etc.

**IS THE YWCA CHRISTIAN?** Write the YWCA, 135 W. 50th St., New York, NY 10020 with any question to get a letter back on their letterhead. At the bottom it

says, "**The YWCA's One Imperative . . . the elimination of racism.**" ("Racism" is the communist code-word for White rule). No mention of Jesus Christ on its letterhead.

They explain the YWCA with a tract which says, "The YWCA has been in the forefront of the civil rights movement since the 1930's . . ." It refers to the "double burden of sexism and racism," and asks your help to keep the YWCA "**at the forefront of social change.**" Lots of communist words and phrases, but **not one word about Jesus Christ!** Most names on their National Board are Jewish or Asiatic. The YWCA, like many formerly Christian organizations, is no longer Christian!

**HERBERT W. ARMSTRONG** asked the Arizona Court to excuse him from appearance at his divorce proceedings because his health was so poor the trip from California "could be fatal." This is the man who claims he will be here when Christ comes to "deliver the true Church up to Christ," yet a trip from Los Angeles to Tucson might "be fatal?"

**STORIES OF VAST SOVIET MUNITIONS IN LEBANON** had to be phony. A former U.S. munitions expert reminded me any such munitions would have been set up to be blown up when in danger of capture. None were and the Jews supposedly captured thousands of truckloads of rockets and ammunition intact.

**GARY NORTH'S PRO-JEW STAND** was exposed in the SPOTLIGHT. Gary North has a reputation as a patriot but stands 100 percent behind Israeli. With Jewry corrupting and destroying everything America stands for one cannot be Christian and pro-Jewish. A man cannot serve two opposing masters. He is either for Jesus Christ or for the rabbis, he can't be for both. That goes for Jerry Falwell, Pat Robertson and others.

**THE VERHOFF ALABAMA FARM WAS SOLD AT SHERIFF'S AUCTION IN MARCH.** They are suing the Bank for fraud. Contributions are needed for expenses. Mr. Larry Becraft, Attorney at Law, 110 South Side Square, Huntsville, AL 35801 is working on this at practically no pay as he is dedicated to exposing the Federal Reserve money fraud. Any help will be appreciated.

**THOSE TERRIBLE GERMANS!** An Arizona veteran recently revealed that 57 percent of all Americans in Jap POW Camps died, while deaths in German POW Camps was 1 percent! Another proof of German mercy and of how the Germans have been vilified by the Holahoaxers.

**FOR THE ARAB VIEWPOINT** on the U.S. Congress, write National Association of Arab Americans, 1825 Connecticut Ave., N.W., Washington, D.C. 20009.

**SUBVERSION OF AMERICA BY MUSIC.** A 1933 issue of "Soviet Music," stated, ". . . we can be successful in our efforts only if we know how to transplant our political slogans to the sphere of music." The minds of millions of Americans have been subverted to thoughts and actions disruptive to Western civilization by Jewish-originated rock and related music. Plato wrote, "the introduction of a new kind of music must be shunned as imperiling the whole State . . . styles of music are never disturbed without affecting the most important political institutions."

**PUBLIC SCHOOLS?** Ask an acquaintance (casually), "Do your children attend a government indoctrination center every day?" Don't elaborate, wait for his answer. Write us about teaching children at home.

**DON'T ALLOW CHILDREN TO WATCH TV CARTOONS!** I watched one Saturday a few weeks ago. The "bad guys" had Christian crosses on their headquarters building and the "good guys" were called "rebels" and said to be trying to "overthrow the rulers and free the people." Most have "magic" powers and use the names of pagan gods. On most TV shows Christian symbols and words are used by the "bad guys," communist revolutionary slogans are used by the "good guys." Pagan names and symbols are being insinuated into the minds of millions of tiny American children.

**WHITE WOMAN REQUIRED TO GIVE HER BEAUTY PARLOR TO BLACK WOMAN.** In Ohio a white beauty parlor owner refused to sell it to a Negro woman. The Negro woman sued and the judge ordered the parlor given to the Negro as a "fine" for "discrimination." Akron Beacon, Feb. 16, 1983.

**GUNS AND GOLD.** The ADL and Jewish doctors are pushing for State "mental health laws" which would prohibit gun permits to "anyone treated for mental illness." That could mean every person who had ever consulted a Jewish doctor, a Jewish psychiatrist, or even a gov't "health center" for depression or a nervous breakdown could later be denied a gun permit! The Jews are desperate about disarming the non-Jews.

HR#1783, introduced in Congress, would require gold purchases only in "check, money order, or other draft." Dealers would also take your "thumbprint." Another way gold can be used as a control mechanism?

By the way, it is now pretty certain most Banks allow secret access by any U.S. Agency to your records, Safety Deposit boxes, etc.

**GOVERNMENT INSIDERS MAKE MILLIONS.** The Arizona Republic on June 1, 1983 reported that CIA Director William Casey, who has access to all U.S. secret economic and political data, buys and sells millions of dollars of personally owned stock each year, reaping undisclosed profits.

On July 20th they reported Gov't employees are now "stealing millions using Gov't computers!"

While tens of thousands use gov't positions to steal themselves rich from the citizens, gov't continues to harass citizens about "income taxes!" Are robbery and government synonymous in America?

**CAPITALISTS AND COMMUNISTS.** Four of the world's richest Jews enter and leave the U.S.S.R. at will. They are Michel Fribourg (controls 90 percent of U.S. grain and is an agent for all U.S. grain sales to communists), Armand Hammer (oil billions, friend of Stalin, contractor on Soviet gas pipeline, etc.) the Rothschild's (European and International Bankers) and Harry Oppenheimer (owner of South Africa's gold and diamonds and controller of their newspapers and politicians).

They all have permanent, luxurious residences in Moscow and scores of servants in the so-called "classless society" of communism.

If such information was generally known in the U.S. our people would soon see that Jewish capitalists approve of, work for, and profit from "communism."

An example of how "communism" profits Jewish bankers: European politicians are paying the U.S.S.R. 60 percent more for natural gas than necessary. This plunder goes to the Soviets, who in turn pass it on to the Jewish Bankers as "interest on loans."

**PHONY JEWISH "CONVERSIONS."** In the 1970's when Bob Dylan, a Jewish writer of anti-American songs, came under attack as "helping communism," he suddenly claimed to become a "born-again Christian" and got invited into many Christian churches. In June, 1983, the Chicago Tribune reported Dylan is becoming a "Jew again," studying to join "the Hasidic movement." Jews "become Christians" when it benefits them or Jewry.

**HOW TO EDUCATE AMERICA.** Communists print vast quantities of both cartoons and slogans. Our side does not. You have our cartoons — get 'em reprinted and distributed. They educate many very quickly.

Letters to the editor do the same. One letter will be duplicated thousands of times and distributed free, yet few patriots use them. One Minnesota Patriot had 350 letters published in 10 years (he didn't sign his own name to all of them).

**BOYCOTTS EDUCATE TOO.** The Wall Street Journal, April 19, 1983, revealed that Burger-King agreed with Rev. Jesse Jackson to hire 20 percent blacks. After the announcement, some White groups suggested no patronizing of Burger-King by Whites.

**HARASSMENT OF POLICE IS BAD, BAD, BAD!** The nation's police will be (are) the enforcement arm of government dictatorship. Actions by Patriots which cause friction between police and citizens are driving the police further away from understanding the citizen's point of view and are making the police more willing to "crack down on those right-wing kooks."

Not getting driver's and auto licenses puts you in direct confrontation with policemen. Confrontations with non-police bureaucrats over thousands of dollars of taxes is one thing. **Antagonizing law officers against all patriots over driver's licenses and auto licenses costing a few tens of dollars is foolishness!**

Law officers are human and we need their sympathies and understanding, not their anger and suspicion. You should get acquainted with your Sheriff and police. They are not as willing to go against people they know personally and understand to some extent. Think about that. You should obtain our 2 cassettes (\$6.00) on **THE BIBLE AND ARMS** and lend it to your local Sheriff or police.

**THE GERMAN-AMERICAN TRICENTENNIAL** is an example of censored news. The first German settlers founded Germantown, Penn. on Oct. 6, 1683. It was recognized by a commemorative stamp in May, 1983 and formation of a national committee, both of which have had practically no publicity. Today, Americans of German descent number around 52 million, 1/4th of the U.S. population, the largest "minority" ethnic group in America. If you are German you might want to write to German-American National Political Action Committee (GANPAC), 225 Santa Monica Blvd., Suite B443, Santa Monica, CA 90401. Send a few dollars, they will send you a packet of literature and information on a monthly newsletter.

**MORE ON HOME EDUCATION.** Write National Association of Home Educators, R#3, Box 324B, Gallatin, MO 64640. Also, send a few dollars for a packet from Mrs. Charles N. Baker, R#1, Box 25, Fairfield, MT 59436. For the book, **SCHOOL AT HOME**, send \$7 to ICER Press, Box 877, Claremont, CA 91711. For reading, Reading Reform Foundation, 7054 East Indian School Rd., Scottsdale, AZ 85251.

**THIS IS NO TIME TO BACK OFF.** I claimed there was a massive awakening across America to the enemy and to our identity as Israel. Now, the ADL, the intelligence organization of the anti-christs, has verified that awakening when it decided "Identity" could no longer be kept from the American people and sent out the order that certain "Identity" preachers had to be destroyed by slander, libel and falsehoods.

Their slanderous articles may be a "two-edged sword," repelling some Americans, but letting thousands more know that we teach the Anglo-Saxon and kindred peoples are Israelites. Now is the time to double and redouble our printing, our radio, and our tape ministry. If you told one before, tell ten now. If you called 2 to listen to radio, call 20. If you distributed 10 tracts before, now distribute 100!

And increase your prayers for AMERICA'S PROMISE, for me, and for my staff. We are all on the firing line and the battle is getting hotter! May the God of Israel bless you, and America, in Christ,

Pastor Emry
