## **WHO ARE THE MEDICAL QUACKS, REAGAN CONTINUES, WHY SECRET POLICE, THE POSSE, ARMED CITIZENS, USURERS, WE NEED GOD'S LAWS**

*"Because thou servedst not the Lord thy God with joyfulness, and with gladness of heart, for the abundance of all things; Therefore shalt thou serve thine enemies which the Lord shall send against thee, in hunger, and in thirst, and in nakedness, and in want of all things: and he shall put a yoke of iron upon thy neck, until he have destroyed thee."*  
(Deuteronomy 28:47-48)

**MAY GOD BLESS YOU IN 1985 AND IN THE YEARS AHEAD.** That is our special prayer for you as we begin another year at AMERICA'S PROMISE.

### **COMING EVENTS OF INTEREST TO IDENTITY CHRISTIANS IN 1985:**

**AN IDENTITY CONFERENCE** in San Diego, April 12-14, 1985. Write Pastor Robert Record, PO Box 27788, Escondido, CA 92027 for details, list of Motels, etc.

**A SCANDINAVIAN TOUR** for you Identity Christians, July 20-Aug. 4, 1985 (16 days), hosted by Ray Capt. You'll fly over the Arctic direct to Oslo, Norway, tour the fjords, cities, towns, and rural areas of Norway and Sweden, including Stockholm, by boat and bus, take a boat to Denmark, and after three days there, fly home from Copenhagen. For the full itinerary and cost, write to Mr. Capt at 10840 Santa Rosa Rd., Camarillo, CA 93010 or call 805-482-8076. Ray will use his wide knowledge of history and archeology to show tour members the Biblical, historical, and racial connection between Israel, Scandinavia, Germany, and Scotland.

**THEN OUR 6-DAY FAMILY RETREAT** September 7-13. Information and the reservation coupon is enclosed. Mail it back soon.

**YUCATAN & MEXICO CITY** for 10 days in October, total cost including air from Los Angeles, \$995 per person. Ray Capt and I will be co-hosts on that one. Only about 30 spaces available. Write or call Ray.

**WILL YOU STAY ON OUR LIST?** After the computer prints out the address labels for this January Newsletter, it will be programmed to search our mail list and "flag" some names for removal after February.

For very practical economic reasons we must periodically remove those who have not responded recently by letter or some offerings to this Ministry. Our labor, printing and postage bills must be paid and we can do that only with some minimum of contributions from you.

Those names "flagged" for removal will be printed on the February envelopes with a ### after the name. If that is on your February envelope, that means you will receive no mailings after February unless you write and ask us to reinstate you on our Newsletter list.

We will keep you on the mail list with very small offerings if you are on SS or other limited income. You should let us know if that is your case and that you can send very

little. The computer does NOT know that unless we tell it. Then it will not "flag" your name, but will leave you on our list. If you have a regular income, we do not keep you on unless you help. We want to expand our outreach via radio, tapes and printing, and we can not do that with too many "free-loaders" on the Newsletter list.

**WHERE OUR NEWSLETTER GOES:** All 50 U.S. States and all Provinces of Canada, of course, also to South Africa, Australia, England, Ireland, Austria, West Germany, Netherlands, Switzerland, Finland, a number to Mexico, then smaller numbers to the following: Honduras, Philippines, Singapore, Nigeria, Uganda, British West Indies, Ghana, Puerto Rico, Ecuador, and Japan.

I hadn't thought of this before, but some of you with sons, grandsons or nephews in the U.S. Military in foreign countries (or here) might like to put them on our list.

**FOR THOSE WHO REGULARLY CONTRIBUTE:** Thank you very much for your past support and I do pray these monthly Newsletters help you see many of the national and international happenings in a true perspective.

The so-called "free press," which most of you know, is almost completely controlled, often does not report important news or will report it with falsehoods and a confusing and deceptive explanation. Because of that many Christian people are uninformed and misinformed, make wrong decisions and trust the wrong people.

This Newsletter is written to give readers a better understanding of our world by presenting news in the light of God's Law, Love and Logic. Please stay with us.

**WHY THE BIG CELEBRATIONS DURING DECEMBER?** Many ask, "Why do so many of the non-Christians celebrate Christmas and the New Year with drinking and carousing in the days leading to them?"

That time is the "Feast of Saturnalia," or feast of Satan whose origin is in ancient, pagan countries and is now observed as "Christmas" or "the Holidays."

The Concise Oxford Dictionary says Saturnalia was observed in December "as a time of unrestrained merry-making extending even to slaves."

Some Christian Ministers insist Dec. 25th and Jan 1st have a long history in Christendom. However, our present calendar was not officially adopted in England (and her colonies) until 1752. In the American colonies Dec. 25th was

not acknowledged as a Christian holy day and it was only 100 years ago that the first State made it an official government holiday.

John ended his first epistle, "Little children, keep yourselves from idols (false worship)." For a better understanding of Saturnalia, the pagan festival observed from mid-December to January, write for my booklet, "Is Christmas Christian?" #103.

**REASON #226 FOR TAKING CHILDREN OUT OF PUBLIC SCHOOLS:** I've put quite a few reasons in past Newsletters. Here is a serious one, especially for folks living in the larger cities: Each month (not year) over 200,000 pupils are attacked and over 100,000 robbed in public schools!

**SANDRA RAMSEY STRIKES AGAIN.** After my heart surgery in early 1984, I was given a book, Dying at 60, Youthful at 90 by the book's author, Luke Gordon Thomas. I've known Mr. Thomas for some years. He is now several years over 90 and in better health than when he was 60. I recommended the book in a Newsletter some months ago.

Luke gives part of the credit for his good health at 90+ to bee pollen taken every day. In his book he recommends a bee pollen sold here in Scottsdale.

Well, the undercover agent, Sandra Ramsey, who pulled the caper on Ken Anderson, pulled one on the Scottsdale bee pollen man and he is on his way to prison.

It seems he had been indicted 4 years ago on land fraud, but Arizona Attorney General Bob Corbin did not prosecute until he began to sell bee pollen. Then, Sandra Ramsey was sent to him as a potential customer, asked him about bee pollen and secretly tape recorded his answers. Apparently he was then notified he would be arrested and tried for fraud unless he pleaded guilty to some of the land fraud charges, which he did.

The Phoenix "Gazette" did the same as they did with Ken Anderson, printed Sandra Ramsey's statements as if they were all true, i.e. "bee pollen is useless," and gave no comment on the man's defense claims. The whole article was a smear of bee pollen, with only a few lines to explain he was really going to jail for land fraud. Many readers will be convinced anyone who promotes bee pollen is a "bad, wicked, and evil person," just as with Ken they convinced readers that anyone who promoted Tumorex was dishonest.

I recommend Luke's book. (It covers much more than bee pollen.) It is \$5.95 from Luke Gordon Thomas, 527 W. Highland, Tracy, Cal. 95736. Better order copies now as I wouldn't put it past the Feds to try and stop him from advertising or selling the book.

Dr. N. W. Walker, who was 112 years of age when I last saw him, took bee pollen every day.

**KEN'S CURRENT STATUS:** Ken has been transferred to a minimum security facility where his family is allowed to come twice a week, bring food, and eat at picnic tables inside the compound. There he is allowed to hold his smaller girls on his lap, whereas at the other place he was allowed no physical contact with visitors.

His appeal has not yet been filed, as the Court has not produced all the trial transcripts yet! During the trial the Court Reporter told me we could get the transcripts in as little as 10 days. Since then, others have told me that when convicted persons request the transcripts for an appeal, it often takes 6 months to get them! More deliberate delays to prevent justice.

Jail food is high on white sugar and white flour. He is allowed no vitamins or supplements, so his health is deteriorating, as is that of all prisoners.

Contributions to the family's expenses and the appeal are still being solicited. Send them to Friends of Ken Anderson, PO Box 30000, Phoenix, AZ 85046.

**MORE ON L-ARGININE AND VITAMIN A:** Several organizations have sent us material which states that scientific research and tests have been done with those two substance for more than 15 years and which indicated a drastic reduction in cancer tumors.

At Ken Anderson's trial, several Medical Doctors and so-called "scientists" testified that L-Arginine (the main ingredients in the overall Tumorex treatment) was of no value in the treatment of cancer and that no medical research had shown that they were!

Their "expert" testimony helped convince the Jury that Ken was defrauding people by promoting those two substances. One or more of the people on the Attorney General's side must have known their testimony was false.

Some may ask why Ken did not rebut their testimony. He knew people who could do that, but they were either not approved by the Judge and didn't get on the stand at all, or the answers of those who did were objected to by the Prosecutor, the Judge sustained her objections and the Jury was not allowed to hear their testimony.

The Attorney General has complained about all the letters he has received favoring Ken Anderson and with health information. His address is Attorney General Bob Corbin, 1275 W. Washington, Phoenix, AZ 85007. In his "fight" against fraud, he has a toll-free "fraud" line at 1-800-352-8431.

**HOW DOCTORS HANDLE TUMORS:** On national TV on Dec. 4, 1984, on the rebroadcast of Billy Graham's Crusade from Fairbanks, Alaska, the first speaker was the son of the local President of Youth for Christ. His story was how he was now serving Jesus even though just recently, at 16 years of age and a high school athlete, Doctors diagnosed a tumor on his leg and less than one week later cut off his leg below the knee!

Just think, 16 years old, in the prime of life, no vital organ anywhere near the tumor, and they amputate!

Billy Graham, like almost every other Minister and Church in America, presents stories like that as "medical and/or religious miracles," and never, but never, breathe or write one word to their followers that there are alternative treatments for cancer, treatments which might be especially effective on young people.

**Our people are destroyed for lack of knowledge.**

**PASTOR EMRY HAD SURGERY,** and surgery is sometimes necessary, but Pastor Emry was in the throes of a heart attack; had been in it for over two weeks; almost going into unconsciousness several times; is not a 16-year old; and my heart, **an absolutely vital organ**, was on the verge of stopping. In spite of that, the diagnosing doctor and the surgeon allowed me to bring in a friend who had been a Naturopath for 30 years, had completed medical school, knows both natural ways and understands x-rays. He looked at their tests, viewed the x-rays, and verified their conclusions. He told me, "Pastor, by-pass surgery is urgent. They must operate. Your veins are practically closed. You could be within hours of a fatal heart attack. There is no time for any other treatment."

None of the emergency conditions affecting me at that time can be said to be true of a tumor on a 16-year old

boy's lower leg!!

Most Americans will live and die in this land of "freedom," and never hear of anything but the "approved" cut, burn and poison treatments of the American Medical Association. Part of the tragedy is that most Clergymen, a source of information they trust, never even mention that alternatives or natural treatments exist!

**WHAT ARE "MEDICAL QUACKS?"** The AMA, FDA and many States' Board of Medical Examiners are embarked on a nationwide propaganda campaign to trick people into believing that "unlicensed medical quacks" are out to defraud ill people over 65 of money by making false promises of relief from ailments or diseases.

In their news releases warning of "medical quacks," they say of all people over 65, 25% have cancer, 44% have arthritis, 30% have hypertension, 27% have heart trouble, 50% have lost their teeth, and that 80% of them have some chronic health condition. They say this poor health of the elderly is what makes them "especially vulnerable" to false claims of help.

One disillusioned victim of "orthodox" medicine said the M.D. stood for "Medical Ducks." If those figures above are even close, instead of using those figures to warn the elderly that the "unlicensed quacks" might fail to help them in the future, those figures should warn the elderly it is obvious the "licensed ducks" have failed to help them in the past! The large number of sick people proves the point. It is absolutely dishonest for the licensed doctors to come along now, **after they have mistreated these elderly people for 10 to 40 years**, and warn them, "You be careful now, there are people out there who will promise to help you and just take your money and not help you." Is that not exactly what many licensed ducks have been doing?

**ARE THEY AFRAID?** I can suggest two reasons for the warnings:

1. They are genuinely afraid "unlicensed quacks" would defraud the elderly sick and NOT help them, or,

2. They are afraid the elderly sick will try some "unorthodox" or "natural" treatments and find that **many of the so-called "unlicensed quacks" have treatments for the ailments and diseases of our people which are far more effective and successful than those used upon them in the last 10 to 40 years by their licensed doctors!**

**EMPHYSEMA AN EXAMPLE.** Let me demonstrate by one example I know of personally:

A man from our church, who is now over 70 years of age, had noticeable emphysema from age 50 and on (he had been a heavy smoker for years). From age 60 and on he had various treatments for it from licensed doctors with no help. At around age 70 he began to have attacks so severe he was taken to the hospital in an ambulance several times over 6 months, always followed by the standard "licensed doctor" treatment. After the 4th attack, and thousands of dollars of treatments, which he barely survived, his licensed doctor told him there was no more they could do, that he should get his affairs in order as he would probably die from the emphysema in the near future.

A nurse who knew of his illness then told him of a clinic in Mexico that treated emphysema with some sort of an injection and that it had helped many people. Being literally under a death sentence by the opinion of his U.S. licensed doctor who said, "There is nothing more that medicine can do for you," the man, by then quite weak, decided he had nothing to lose and went to the clinic in Mexico where

he was examined and given a series of injections for a total cost of less than \$300.

**Within days all symptoms of the emphysema were gone, he could breathe easily, walk or run if he wished, go back to playing golf, which he had had to quit 5 years before because of the emphysema, and he was soon saying he had not felt so well in 15 years!** That was over 4 years ago and he has had no further emphysema symptoms.

When his U.S. doctor found out he was better, what did he call the Mexican doctor who cured his emphysema? You guessed it, "a quack."

So, what is a "quack," according to licensed doctors? Why, anyone who can cure or successfully treat a disease or an ailment the licensed doctor can neither cure nor successfully treat!

Remember that definition the next time a licensed doctor or the news media calls anyone a "quack."

**SUCCESSFUL TREATMENTS TO BE MADE "ILLEGAL."** With many politicians and most of the news media on the side of the licensed doctors in their determination to stop many of these successful treatments of disabilities from being used or even known about by the American people (and with "Quincy" and other TV shows portraying doctors as heroes and non-doctors as "quacks"), they may soon have citizen-approved legislation which could make it illegal for anyone to even tell such a story as the above on the grounds it is "aiding and abetting quackery!"

**ARE CANCER DOCTORS CRAZY?** The experience of the last 40 years with radiation has proven that X-rays and other sources of radiation cause cancer in humans. Yet, once you get cancer, what do the Cancer Doctors use to "cure" you? Yes, radiation!

That would be like finding a drunk in the gutter and saying, "He's drunk; treat him with a bottle of whiskey!" (Maybe duck is more correct than doctor?)

**IS THIS DIVINE JUDGMENT?** Where is God in all of this? This situation seems only to grow worse. Is our nation and our people under Divine Judgment for our individual and national sins against the Almighty? Are we suffering the curses of the law, one of which is, **"Moreover, He will bring upon thee all the diseases of Egypt, which thou was afraid of; and they shall cleave unto thee. Also every sickness, and every plague, which is not written in the book of this law, them will the Lord bring upon thee, until thou be destroyed [brought low]...because thou wouldest not obey the voice of the Lord thy God?"** (Deuteronomy 28:60.)

**CONCERNED ABOUT PRIVACY FROM THE PRESS?** After the "Santa Fe New Mexican" (Newspaper) published photos of an Indian Tribal dance they had taken from an airplane, the Indians sued for \$3.65 million in U.S. District Court, charging invasion of privacy, trespassing and violation of tribal law and because their article was "denigrating and highly offensive to tribal members."

Apparently fearing they might lose the case, the Newspaper printed an apology which said that the newspaper and the photographer, "apologize to the pueblo for any interference with their religious ceremony Jan. 21, 1984."

The key words above are "interference with their religious ceremony."

Christians, please note. In the future, when anyone outside of your church group interferes with your religious activities, perhaps you should follow the example of the

Indians, sue 'em!

**NO HELP FOR AFGHAN PATRIOTS FROM U.S. CHURCH OR STATE.** Do Christians wonder why?

The Reds have two huge air bases in SW Afghanistan, within striking distance of all Arab capitals.

One-fourth of the Afghans have been killed or driven from their country.

Thousands of Afghan children are kidnapped to the U.S.S.R. for communist indoctrination.

In scores of small villages, every inhabitant has been killed or driven out.

When 450 Afghan Freedom Fighters surrendered in the northern mountains recently, the Red government troops summarily executed them all.

During all of this Reagan has maintained diplomatic relations with the Red butchers in both Afghan and the U.S.S.R. who are killing the Afghan people.

So much for Reagan's concern. Make your own guess as to why Falwell and other Church leaders give or voice no support to the Afghan victims of the Red Terror.

Get my December Newsletter out and read it again.

**CONFUSED?** When France resumed negotiations with Libya's Khadafi to evacuate his troops from Chad, the U.S. protested that "there is no point in bargaining with one of the chief instigators of international terrorism," (meaning Khadafi). ("TIME", Dec. 3, 1984, page 31.)

U.S. rulers "bargain" with scores of Communist rulers, including those who have terrorized the whole Afghan nation for several years, killing and maiming over 1 million and driving 4 million from their own country. They are not "terrorists" to U.S. rulers?

Meanwhile, as millions of Negroes starve in Africa under Negro rule, U.S. Congressmen protest against what country? South Africa where no Negroes starve!

**COMMUNISTS WON'T BE "TERRORISTS" UNDER REAGAN DEFINITION?** That is the gist of William Safire's column in the New York "Times" in November, 1984. Reagan is asking the U.S. Senate to ratify a treaty which will give "people fighting against colonial domination and against racist regimes in the exercise of their right to self-determination," the status of "war prisoners," even though they wear civilian clothing and kill civilians!

That long phrase fits communist guerrillas and terrorists. Reagan wants them treated as prisoners of war, i.e. not to be executed as murderers and eligible to be released on "prisoner exchanges," etc.

Under Reagan's definition, however, anyone wearing civilian clothes and **resisting the communists** could be classified as a "terrorist," imprisoned or executed! Any Patriots still think our rulers are anti-communist?

**BABY FAE.** Don't argue about it. Just remind anyone who brings it up that in order to smear the German people after WWII, German doctors who performed new medical experiments between 1939 and 1945 to try to save lives were arrested by the U.S and the U.S.S.R. and jailed or executed for "war crimes." Ask if they think that was right.

[Notice that no Jewish movies or TV, none of our rulers, nor any of the news media ever refer to any communist terror or butchery as "war crimes?"]

**FALWELL FINANCES ISRAELI TERRORISTS?** A Nov. 9, 1984 Akron "Beacon Journal" article begins,

"The Rev. Jerry Falwell and other TV evangelists are using American Christians to finance Jewish terrorists in Israel and promote nuclear war theology, a Washington, D.C., author said Thursday."

The author is Grace Halsell, a former speech writer for President Lyndon B. Johnson, who plans to publish a book on Falwell in 1984.

Ms. Halsell went on a 10-day tour of Israel with Falwell and 629 other people in 1983. The newspaper quoted her, "Americans were getting only one side of the story of what was happening in Israel. Christians there are suffering and oppressed, but Falwell did not allow any members of his tour group to come in contact with them."

**HOLOCAUST FALLOUT:** In September, 1984, 4000 European Baptists from 25 countries adopted a "Declaration of Guilt" for their behavior during the Hitler regime.

The declaration said, among other things, "Not only through, but also among our people, much injustice came to pass. In this connection, shame and grief fill us, especially when we consider the persecution and the mass extermination of Jewish people."

God said the day would come when those who afflict Christian Israel would say to them, **bow down, that we may go over: and thou has laid thy body as the ground, and as the street, to them that went over.** (Isa. 51:23.)

Those Christians above have done what God said they would do, laid down and let the non-Christians "walk all over them." Prophecy comes to pass as written.

**GOLDWATERS FOUNDED PLANNED PARENTHOOD.** Every year just before Christmas, Phoenix newspapers publicize the "Planned Parenthood Ball." Some person who promotes their goals is given the "Peggy Goldwater Award," so named because Mrs. Barry Goldwater was one of the founders way back in 1937!

**PRE-EMPTIVE STRIKES.** While Reagan is planning armed assaults against terrorists (his definition) apparently someone is making pre-emptive strikes against terrorists of unborn children (their definition), Planned Parenthood.

In 1984, over 20 Planned Parenthood clinics in the U.S. were bombed. It has gotten so bad Planned Parenthood has appealed to the American public in newspapers and on TV for them to condemn these "terrible pro-lifers" who use violence against "legal clinics."

The abortionists commit terror against unborn babies, in what some have labeled "death camps," but when terror comes back on them, they cry, "Foul."

Anyway, the cries of anguish proves the baby-killers are much, much more afraid of physical acts of resistance than they are of words.

**SPEAKING OF PRE-EMPTIVE STRIKES.** Dr. George Keyworth, Science Advisor to Reagan, has said the Soviets could deliver a first strike against the U.S. that would destroy 90% of our land-based missiles, most of our bombers and more than half of our missile submarines. Reagan still sends them computers and grain.

**WE CAN'T FIND RED SUBS!** After billions spent on anti-sub devices, last September our Navy tried to locate a Russian sub reported off South Carolina. A multi-million dollar U.S. Navy Frigate, trailing the latest sonar gear found it by accident. It caught the Soviet sub's propellers in the sonar gear!

Those Soviet subs, by the way, carry the missiles

which will hit U.S. coastal cities and destroy our Navy in U.S. ports. U.S. Coastal residents, sleep well!

**REAGAN STOCKPILES FOR WAR!** Pres. Reagan asked Congress for \$120 million a year to buy strategic metals and stockpile them. At that amount, it would take 80 years to bring the stockpiles up to the level recommended by the military! He told voters he would make the U.S. strong. Did he mean in 80 years?

The U.S. stockpile of copper is only 3% of the recommended amount. Arizona is the major source of U.S. copper and many of its copper mines are closed down or soon to close down. Our Governor, Congressmen, mine owners and union leaders have asked the government to increase its purchases and put Arizona's copper miners back to work. No answer, although Reagan did recently approve a large loan to build a copper smelter in Mexico!

**REAGAN AND THE ADA.** Before the election, John Kenneth Galbraith, a long-time soviet-apologist, debated William F. Buckley on TV. Galbraith defended Mondale, but during the debate said he did not want to be too hard on Reagan, for after all, years ago he and Reagan were fellow founders of **Americans for Democratic Action!**

The ADA has been the political "think tank" for pro-socialist and pro-soviet ideas fed into the Democrat party. Reagan has never criticized them or repudiated his hand in their beginning. (Like Goldwater above, who has never repudiated he and his wife's role in the founding of Planned Parenthood.)

**REAGAN BRIEFS U.S. INDUSTRY FOR WAR?** U.S. business leaders were invited to a White House briefing on the mobilization of U.S. industry in the event of Soviet threats. Guess who else was invited and did attend? Give up? Top officials from the Communist nations of eastern Europe!

It does make one wonder if the White House is in rehearsal for a refilming of "Alice in Wonderland?"

**HEZEKIAH INVITED ENEMIES.** U.S. Presidents since 1934 have given Red Bolshevik agents and spies literal run of the U.S. Read Isaiah 39, where the aging king Hezekiah showed the son of the king of the enemy nation of Babylon, "all the house of his armour, and all that was found in his treasures: there was nothing in his house, nor in all of his dominion, that Hezekiah shewed them not."

God's judgment for that was that Hezekiah's sons would be captured by the Babylonians and made castrated eunuchs in the palace of the king (verse 7)!

That may sound like a terrible judgment, but what do YOU think of a President who invites the agents of Red Russia to sit in on the planning for the defense of the United States in case Red Russia attacks America?

**"TIME MAGAZINE" COVERS FOR BANKERS.** In their cover story on Banks, in their Dec. 3, 1984 issue, "TIME" devoted a full 8 pages to a confusing and emotional sob story about the plight of the poor lenders. It built up the reader's sympathy for the Bankers with false claims saying they are losing money, and "trying to survive," etc. They even had a cartoon showing debt chasing a frightened little Banker! The truth is that usury-Bankers are the chasers, hounding billions of dollars out of millions of debtors every year! The article was a classic piece on how to make the victims of robbery feel sympathy, concern and compassion for the robbers!

As the plunder of the American people by the usurers

increases, you can expect a deluge of these articles. They know they must make the victims of usury feel sorry for the usurers, else the victims might rise up and drive the usurers from the land.

**MORE ON DEAD NEBRASKA FARMER:** "ACRES, U.S.A." used its front page of its Dec., 1984 issue for the story of the Nebraska farmer, Arthur L. Kirk, who was killed on his farm after dark on Oct 23, 1984 by a State Police SWAT team (no uniforms).

Local people say Kirk's wounds were not fatal, but the SWAT team then let him bleed to death in a dog pen before they took him to the hospital. They then searched his house (no search warrant), stealing guns, an address book, various papers, etc. After his death, no coroner's inquest was allowed.

The men who shot Kirk claim they shot the 49 year-old farmer as he fired at them while running to a "fortified" windmill (some old tree stumps were near it). Neighbors say it makes no sense that a man experienced with guns as Mr. Kirk was, would leave the comparative safety of his house to run outside when he knew armed men were out there.

It also makes no sense that he would try to shoot and hit anything while running (try it sometime) when, if he had really wanted to hit them, he would have shot from a resting or standing position inside the house and not made himself an easy target by running outside!

Some insist he must have been shot at a door or a window of the house and then either ran out or was dragged outside and left to die. It would be very easy for one of the Police to then fire Mr. Kirk's gun into the air. That is not uncommon after Police have killed an armed man. They do it to protect themselves. They can say, "He shot at me," and they have the empty cartridges and the dirty barrel of the victim's fired gun to "prove" it!

**MUTILATED KITTEN.** A strange clue to the actual events is a small kitten found dead in the yard, both of its ears cut off and its body partially skinned while alive!

"ACRES, U.S.A." understandably asked, "What kind of men are Policemen who will deliberately mutilate and torture a little kitten?" However, some neighbors have speculated the SWAT team mutilated the kitten in the yard to anger the farmer and make him come out or expose himself at a door or window so they could shoot him. This theory has added weight in that there are bullet holes in an inside closet door and in a china cabinet, indicating that at least some shots were fired into the house!

Allegedly the SWAT team's story contained these lies or discrepancies:

1. Kirk's rifle was fully automatic. (It was not.)
2. Kirk had on a gas mask. (He didn't, he is bearded.)
3. Kirk was wearing a steel helmet. (He was not.)
4. The windmill was "sandbagged." (It was not, there were empty sacks hanging on it to dry.)
5. The only shooting was outside. (But there are bullet holes inside the house.)

The SWAT team's stories do not match the visible evidence. Are they covering up cold-blooded murder?

Are U.S. SWAT teams the equivalent of the Russian and Chinese communist's "death squads?"

"ACRES, U.S.A." is a monthly 32 page tabloid farm newspaper on eco-farming, natural fertilizer and pesticides, health, toxins, farm problems, money, etc. It has valuable articles for any farmer or gardener and does expose government wrong-doing. You can get that Dec., 1984 issue with the Kirk story for \$2.00, or subscribe for a year

for \$12.50 from PO Box 9547, Kansas City, Mo 64133. Ask them to start with that Dec. issue.

**UNRECOGNIZEABLE POLICE?** The real Police enforcers in dictatorships do not wear uniforms. (The only ones who do are Nazis in movies made by Jews.)

Did you ever wonder why a Communist country's secret Police are called "secret?" Well, **they are "secret" because they dress like civilians!** It's that simple.

**THE REASONS:** There are three main reasons why the people-controllers are not uniformed:

1. They can operate in and among the people without the people knowing they are Police. Each one becomes, in effect, a very effective "undercover agent."

2. When they make arrests, the target is more likely to resist, not really knowing if they are Police or criminals. Then, even if they cannot prove any crime, they can put him in jail for "resisting arrest." Or, they might use his reaction as an excuse to kill him as they did with the Nebraska farmer.

(When Ken Anderson was first arrested, three men burst into his office, told him he was under arrest, and started physically pushing him and others in the office around. They did not have uniforms and Ken was strongly tempted to reach physically because he first thought they might be thugs preparing to rob him! They turned out to be city and State police, not detectives, so they were purposely without uniforms!)

3. Eventually, as the people realize great numbers of State Police are among them, dressed just like other people, they begin not to trust anyone and will not take chances of talking about or planning any resistance to the Police state. The belief by the people that plainclothes, unknown (secret) Police are everywhere serves as a cheap and very effective control mechanism over the people.

**MOVIE AND TV MIND CONDITIONING:** Police heroes in the new "cop shows" are mostly without uniforms. They investigate, make arrests, testify, and are smarter and outnumber the uniformed Police.

Slowly, but surely, into the subconscious of this generation is being implanted, "the government Police dress like civilians and they are everywhere."

Once most Police do not wear uniforms, and the people have been sufficiently terrorized by them, what will we have? Well, it is called, "A Police State."

**A STANDING ARMY.** Asian peoples have always been kept under subservience by armies obedient to the rulers. **Once America has hundreds of thousands of Police loyal to the rulers instead of to the people, America will have been taken over by the dreaded "standing army" warned against in the Declaration of Independence.**

**A VOICE FROM THE PAST:** Rev. Samuel Webster in Salisbury, Mass., in 1777 said, "Tyrants always support themselves with standing armies, and if possible the people disarmed. When it comes to this, it is extremely difficult to unite sufficient bodies to affect the people's deliverance."

**THE SHERIFF AND THE POSSE.** Americans made a grave mistake when they accepted the idea of a **hired gun**, the "policeman," instead of keeping only an **elected Sheriff** and Deputies. Instead of more hired guns, the Sheriff had to depend on a posse made up of citizens. A posse of citizens would not turn against the populace.

Many years ago, the aliens who controlled Hollywood, began portraying Sheriffs as crooks and the local Posse as a bunch of drunks and vigilantes just wanting to hang someone whether they were guilty or not. In many movies, the people were rescued only after a State or Federal Marshal, dressed as a cowboy, came in secretly and worked undercover. Then he caught the bad guys. Such movies created a false belief among our people that State and Federal police in civilian clothes were needed to stop crime.

With that and other propaganda painting a false picture of the F.B.I. and other government agents, they scared your fathers and grandfathers into abandoning the local posse, made up of their friends and neighbors, and got them to depend on hired guns whose loyalty is to the State or Federal politicians. Now, when some Patriots are trying to tell you to go back to the old ways, they scare you of "the Posse Comitatus," crying that it is a bunch of kooks, when in truth the Posse Comitatus is simply, by law, the whole body of able-bodied citizens of the County!

**pos'se** (pōs'tē), *n.* [ML.; in L., *inf.*, to be able.] 1. *Law.* Short for POSSE COMITATUS.

2. A force with legal authority; a detachment, as of police; an armed band; hence, a crowd; a throng. "A whole posse of enthusiasts." *Carlyle*

3. Possibility; potentiality; — chiefly in the phrase *in posse.* Cf. IN ESSE.

|| **pos'se cō'mi-ta'tus** (kōm'ī-tā'tūs). [*L. posse* to be able, to have power, in ML., power + ML. *comitatus* a county, from *comes, comitis*, a count. See POWER; COUNTY.]

1. *Law.* The power of the county; hence, usually, the entire body of those inhabitants who may be summoned by the sheriff to assist in preserving the public peace, as in case of a riot, or in executing any legal precept that is forcibly opposed; also, the body of persons so summoned. By the common law the sheriff may so summon every male inhabitant of the county who is above 15 years of age and not infirm.

2. = POSSE, 2.

**CITIZEN'S POSSES WOULD END CRIME.** Instead of the scenario of the Posse painted for you by the movies and TV, the truth is the Posse of local citizens would insist real criminals be punished or run off **and would be diligent in seeing that neighbors who might be falsely accused of crime were vindicated.**

Also, since they were not paid to serve on the posse, but in fact, spent their own time and money while serving, it would be in their best interests to end crime, not perpetuate it. **The "hired guns" we now have thrive and grow on crime.** They need a great number of criminals and crime to justify their salaries and promotions. The same is true of their cohorts, the lawyers, judges, prison operators, probation personnel, etc.

America has been deceived by a totally false concept of how to reduce or end crime in our communities.

**NO JAILS IN BIBLE LAW.** Politicians and sociologists admit our prisons are one of America's greatest problems. However, they suggest we build more, costing the people more money and making the inmates animals.

There are no jails in God's Law. To bring that Truth to your State Legislators, you should order our illustrated sheet, "God's Law," showing the difference between man's law and God's Law on murder, rape and robbery. (100 copies for a \$3.00 offering.)

**NO POLICE OR JAILS?** Most church-goers won't believe we could live in peace with neither hired policemen nor prisons, yet God's Law provides for neither. Christians need to study Bible Law. Every Christian home should have our complete, 36-page Bible Law Index available for a \$3.00 offering. #393.

Also write The Committee to Teach Bible Law, Box 481, Lakemore, Oh 44250, for a free sample lesson on Bible Law.

**THE DANGER OF DISARMING CITIZENS;** There is also a drive to eliminate citizen's guns because citizens might "shoot the police." The truth is if most citizens regularly carried guns in any city, some thugs and crooks would soon be shot or arrested while committing a crime, and the rest would leave or get honest work, fearing the same fate. (In that recent bank robbery where the robber shot several people, if a few citizens had been armed, he would have been killed on the spot.)

I heard a law lecturer state, "Crime will increase as long as we hire Police to stop crime." When the audience protested, "But, how would we catch criminals without Police," he answered, "In my home county we have 2,000 citizens and 6 hired Police. Which do you think is the greatest deterrent to crime, those 6 Policemen or our 800 adult males carrying arms?" They all knew the answer.

The Bible account of Israel's history indicates all citizens were allowed to, and did, carry arms. Read Nehemiah to see how armed Israelites saved Jerusalem from their enemies.

Many church-goers also do not know that in the New Testament Jesus commanded his Disciples to buy swords! If you want to hear that and scores of other passages on this subject, send a \$6 offering and ask for my two cassette tapes on, "The Bible and Arms." #8111-8112.

**WHAT WILL BE THE GREATEST CRIME?** With unpayable debt mounting rapidly, probably more citizens will be in arrears on debt payments than there are thieves and other criminals.

If this comes to pass, more and more of the hired guns (Police and Marshals) will be enforcing debt collections, foreclosures and evictions. Stalin killed 6 million farmers in Russia's bread-basket, the Ukraine, to collectivize their farms. God alone knows how many may be killed in America's central bread-basket to foreclose and collectivize America's farms.

**ADJUSTABLE RATE MORTGAGES** are traps. The home, farm or business loan is made at a low rate, then raised. A number of Florida home owners were recently notified their payments would have to be \$1,500 instead of \$1,000 in order to amortize their loan! Many paid thousands of dollars down and their houses may now be un-saleable and they can't make the payments. They lose, which was the plan when the mortgages were devised.

Money-lending usurers are not the people's friends; instead they are rapacious predators.

**"Woe unto them that decree unrighteous decrees, and that write grievousness which they have prescribe: to turn aside the needy from judgment, and to take away the right from the poor of My people, that widows may be their prey, and that they may rob the fatherless!"** (Isa. 10:1-2.)

**"ENTIRE BALANCE DUE."** Thousands of people get a few months behind on home payments, then get enough to get caught up and send it in, only to be notified, "The

entire balance of \$60,782.74 on your mortgage is due in 30 days or we will foreclose."

They didn't know most mortgages allow the lender to declare the mortgage in default and payable in full upon any late payments. Most are ashamed to protest to friends or neighbors, move out and let the usurer have their home. Often the remaining owners do not realize how many homes are being lost to the usurers.

This same is true in farm areas. Farmers, being an unduly proud lot, will not admit to neighbors or relatives they are in financial trouble and often voluntarily turn over the property to the usurer without a fight. We have heard of some who have moved out during the night so they would not have to face neighbors and admit, "We couldn't make it."

This foolish pride is helping prevent Americans from taking a realistic and cold look at the usurer.

**USURERS ARE TO BE PUT TO DEATH.** In their writings, both Martin Luther and God Almighty classified usurers with murderers. Usury is forbidden in the Law of Moses (Ex. 22:25, Lev. 25: 35-37, and Deut. 23:19.), and is theft. The thief must restore from two to five times what he stole and if he cannot, he is to work (be sold) and pay it off. (Exodus 22:1-4). If he refuses to work and/or pay, he is to be executed (Deut. 17:12).

God repeated the death sentence on usurers in Ezekiel 18 where he asks of he who hath given forth upon usury, and hath taken increase, "Shall he live?" The Almighty answers, "He shall not live."

**CHRISTIAN, HOW ABOUT YOU?** Many church-goers erroneously think they have been relieved of the Law and that they can charge usury (interest). However, David, a man after God's own heart, asked a question in Psalm 15:1, "Lord, who shall abide in Thy tabernacle? Who shall dwell in thy holy hill (kingdom)?" He answered in verse 5, **"He that putteth NOT out his money to usury, nor taketh reward against the innocent."**

**CHRISTIAN AMERICANS NEED AN EDUCATION IN LIBERTY** and we have one book all should read. It is THE LAW, written in the 1850's by a Frenchman, Frederic Bastiat. I first read it perhaps 25 years ago and it is the best small book I have ever read on what the Law should be to enforce justice in any nation.

Any young person over 15 can understand it and every young relative of yours should read it. We have copies for your lending library for an offering of \$2.00.

**DISOBEDIENCE BRINGS BONDAGE.** God told our Israel fathers in Deuteronomy 28 that if they disobeyed His Laws, they would be conquered by aliens: **"But it shall come to pass, if thou wilt not hearken unto the voice of the Lord thy God, to observe to do all His commandments, and His statutes which I command thee this day: that all these curses shall come upon thee, and overtake thee: (vs 15) The stranger [non-Israelite] that is within thee shall get up above thee very high; and thou shalt come down very low."**

**THE CONQUEST IS BY DEBT.** We disobey God by allowing usury and by not punishing the usurers. God went on in Deuteronomy 28 to say the "strangers" (non-Israelites) among us would get high above us and bring us down low by placing us in debt to them, **"He shall lend to thee, and thou shalt not lend to him: he shall be the head, and thou shalt be the tail"**. (vs 43-44)

Although that is exactly what has happened to the American people, few see our debt-bondage as a consequence of our refusal to execute usurers and obey the other Laws of the Great God of Abraham, Isaac and Jacob.

**SYMBOLIC NAME?** The East River in New York at the United Nations site is called "Hellsgate." What do we read about "the gates of hell" in the Bible?

**USE BIBLE WORDS.** We have been fooled by our enemies into using their invented, soothingly deceptive words to describe people, actions and events. Let's make a real effort to insert Bible Words into our conversations and writings. It will help our Brethren understand the truth. Train yourself to always use:

**usury, not interest.**

**debt, not loan or mortgage.**

**murder, not abortion.**

**filthy or unclean, not x-rated or pornographic.**

**sodomites, not homosexuals or gays.**

**whore, not call girl or prostitute.**

For our enemies, use more historically correct words such as:

**Bolsheviks, not communists.**

**Leftist, not liberal.**

Your neighbors will better understand if you use a descriptive adjective in front of words, such as: **culture destroying** in front of movies, TV shows, drugs, pornography, race-mixing, sex-education, etc.

Try it. If you think of others, send them to me. I will put them in future newsletters.

**I NEED A BOOK.** I am looking for a book which should be reprinted, **THE NEW DEAL.** It was written by a pro-communist in 1931 or 1932 and reveals a plan by which secret communists could take over the United States in 40 to 50 years (from 1932) through colleges and political parties. I read it many years ago and did not realize the significance of it until I saw the plan working.

If you can find it in any library, photocopy the pages. It is only about 80 pages and should be reprinted. It would be very good for new Patriots.

**GOD AND THE DEVIL.** Jewish Hollywood keeps coming out with movies to re-enforce religion's false teachings on the Devil or Satan.

A recent one is "Oh, God! You Devil," where the aging Jew, George Burns, plays both parts.

In it, the movie's Devil, offers fame to a song writer in exchange for his soul.

The totally phony idea or philosophy that some sort of a fallen angelic being called the "Devil" or "Satan" can somehow take over or steal a man's "soul" is believed by a majority of our people. And why not? It is taught to them, not only by most "Christian" ministers, but by Jewish-made movies, TV and slick magazines.

**Our Christian brethren should closely examine any church doctrines which parallel Jewish teachings.**

**JESUS WARNED US.** Jesus called the Jewish Pharisees, "hypocrites," "blind," "blind guides," "fools," "like unto whited sepulchers (graves)...full of dead men's bones," "an evil generation." (Matthew 23.)

He further accused them, "Ye seek to kill me," "ye cannot hear My Word," "Ye are of your father the devil and the lust of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him," "He that is of God heareth

God's Words: ye therefore hear them not, **because ye are not of God,**" (emphasis mine) and Jesus further explained to them why they would not become Christians, "Ye believe not, because ye are not of My sheep." (John 8 and John 10.)

Most church-goers ignore Jesus' warning about the Jews' religion, and accept doctrines originating from the Jewish Pharisees without questioning them. If they won't hear Jesus' Truth, does God allow them to follow the "blind guides?" It seems so, but one still asks, "How long, Oh, Lord, how long?"

**THE RICH MAN AND LAZARUS,** a radio series I did some years ago, is finally in print.

It shows that the church's claim it is about hell and heaven is a deception, and it gives the logical and Scriptural identification of both "the rich man" and Lazarus. When ordered with other materials, a \$1.50 offering should cover it.

**CHURCHES DISINCORPORATING?** Many have asked me if Churches should incorporate or whether church schools should have licenses, etc.

For information you can write to The American Coalition of Unregistered Churches, PO Box 1224, Indianapolis, Ind. 46206. Pastor Everett Siliven is National Chairman and Dr. Robert McCurry is Secretary.

**REAGAN DECLARED WAR ON "ANTI-SEMITES."** Send us a \$2 offering to cover postage and I will send you a photocopy of Reagan's 1984 speech to the ADL in which he agreed to help the Jews stamp out "anti-semitism."

You Christian-Identity people, even though you are not "anti-semitic," since you are semites yourself, are falsely labeled that by the Jews and **your President has declared war on YOU!** You need to read his war declaration. Write soon.

**WE ARE WAGING WAR WITH GOD'S WORD.** Our greatest weapon of power and righteousness is the Word the Almighty has left with us. Please pray for us and support AMERICA'S PROMISE as we take the preaching of that Word to Israel in North America by radio, by tapes, and by printed Bible studies and sermons.

**SPECIAL NOTICE ON RADIO PACKETS.** Many ask that we send them each radio packet as it is offered on radio. We have no computer program to provide that, plus packets are designed primarily for new people and are therefore repetitive and possibly wasteful if all are sent to "old timers." If you want a certain radio packet, please write and ask for each one by title or month.

**MAY GOD BLESS YOU AND YOURS IN 1985 AND ON.** All the staff here, the congregation, Pastor Emry and his family, pray for each and every one of you as we enter into a new year and come closer and closer to the return of our blessed Saviour, Jesus, the Christ.

Pray for us, and for all Israel.

To the only wise God our Saviour, be glory and majesty, dominion and power, both now and ever, Amen.

In Jesus Christ,

Pastor Sheldon Emry
